Not assigned (plan only)**IMPORTANT: PLAN ONLY, NOT A BOOKING**

This document is a travel itinerary PLAN prepared from published airline schedule data. It is NOT a flight reservation, NOT a ticket and NOT a booking: no seat is held, no airline booking reference (PNR) exists, and it cannot be looked up or verified on any airline website. It is only confirmed by BTT (BookTours Ticket) against portal data (published airline schedules) at the time it was created: it is a schedule, not a real ticket. Schedules, terminals and aircraft can change. Do not present this plan as proof of a booking. If an embassy or authority asks for a reservation, choose one of our paid plans, which create a real airline reservation with a booking reference you can verify at [booktourticket.com/plans.php](https://booktourticket.com/plans.php).

**BEFORE YOU TRAVEL**

- Check that every passport is valid for at least 6 months after your return date and that each name matches the passport exactly.
- Check the entry and transit rules (visa, health, e-visa) for every country on this route with the official embassy or government website.
- Confirm the flight times, terminals and baggage allowance on the airline website 24 to 48 hours before you fly: schedules can change.
- Keep this plan with your other documents (accommodation, funds, travel insurance). It is a plan, not proof of a booking.
